*Other rates apply to non-teachers, future teachers, retired teachers, and support staff. See website for full details.

OUR MISSION

To support teachers as individual practitioners by providing professional insurance, dialogue, and resources with which they'll have freedom to innovate and excel, rendering excellence in American Education

GET INVOLVED

*We are an organization
BY teachers, FOR teachers.*

Volunteer

Contact your leadership team to find out how your talents and abilities can help out within the organization. We would love to celebrate your skills!

Spread the Word

Help us grow by introducing others to the work we do to preserve traditional Texas values and promote true excellence in education.

Lead a Chapter

Become the ITTexas representative on your campus or in your geographical area. Make connections with local schools and community leaders.

THE ITTEXAS OATH OF EXCELLENCE

I hereby commit to fulfill according to my best ability and judgment, this oath and this covenant:

"I will provide exemplary academic instruction and guidance for all students according to their needs, and I will do so only for the good of each student. I will always strive to keep them from harm and injustice. I will always act in the best interest of their successes, based upon my very best bias-free judgment."
